- 2x2 brick (black)

Ready to gift

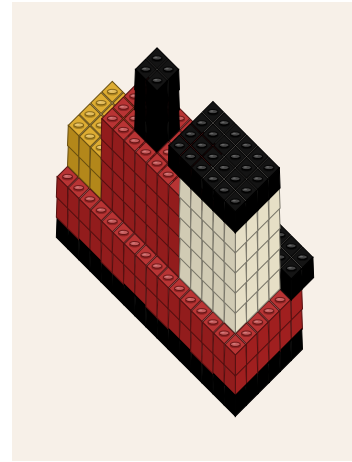

This train booklet can stand alone as a printable build handout or act as the branded insert for a small birthday present.

Presentation cues

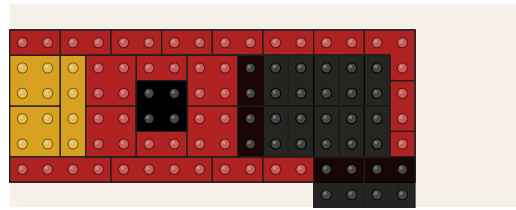

- Small desk-scale steam-train silhouette
- 3 labeled bags
- Printed instructions generated from the same brickized program
- Source/reference card
- Compact rigid mailer or kraft carton

Customization path

- Swap the cover dedication for a birthday or event
- Keep the same instruction pages and train renders
- Print as-is or staple into a lightweight pamphlet

Finished train

Top planning view

Happy building.
